OUTTA SIGHT!

"Outta Sight" - The latest rock group?, the last episode of American Idol?, NJ Shore? Nope, we're talking about garbage and trash cans. Trash and garbage is picked up on Tuesdays and Fridays during the day. That means your trash cans and bags need to be "outta sight" from sunset Tuesday to day-break Friday and from sunset Friday till day-break Tuesday. "Outta sight" means not visible in any way from the street or by your neighbors. Doing this will make Cloverplace a more attractive place to live. Thanks for your cooperation.

IT'S HURRICANE SEASON ARE YOU PREPARED?

The 2011 hurricane season is in full swing with twelve named tropical storms, two of the storms reached hurricane status. We have been fortunate with past hurricane seasons and perhaps we've become complacent.

Start planning now, if you have not already done so. In addition, make sure everyone in your family knows your plan. Visit the [Florida Division of Emergency Management](#) web site, or check your local news web sites for information relative to planning and preparing. [Bay News 9](#), [10 NEWS](#)
